ARMORCOVER

PRODUCT DETAILS

ArmorCover is PVC Rubber Flooring that simply rolls out. There is no adhesive necessary. It's easy to install, easy to maintain and easy to clean. ArmorCover PVC Rubber Flooring comes in many colors and textures to give your project a custom look with little prep time and at an affordable price.

ARMORCOVER PVC Rubber Roll Out Floor Covering is great for garage floors, basement floors, office floors, kennel floors, factory floors, auto shop floors, lobbies, hospital floors & health care facilities, elevators, laundry room floors, gyms & workout areas, waiting room floors and more!

Stock sizes of ArmorCover ship in 4-5 business days plus transit time. Custom Sizes are available in standard widths of 7.5', 8', 9', & 10' and up to lengths of 70' (there are additional lead times for custom sizes). Please note that custom cut sizes are not cancellable or returnable once order is placed so please verify dimensions, etc prior to placing order.
